Willard InterContinental Hotel

Please join us in Washington, D.C. for the 2010 Annual Federal Policy Conference and Lobby Day. This unique event gives company executives and employee-owners the opportunity to educate their Members of Congress about the importance of employee-ownership, while networking with other top S ESOP executives. Attendees will also have the opportunity to hear from top decision makers in Congress and the Administration about potential changes in the coming year that could impact your ESOP.

The Federal Policy Conference will be held at the Willard InterContinental Hotel. To reserve your hotel room, please call (202) 628-9100, ask for "Reservations" and say you want to make a reservation in the "ESCA room block".
